

At CCA we know that our values are worth sacrificing for, we are willing to do anything short of sin to ensure that we can **create environments for people to **see Christ** and **go together** with us toward what He is calling us to. Our Values are how we take our Vision, Mission, and Purpose to the next level and make them tangible to everyone who comes through our doors.**

You Can't do Life Alone-

We want to always be creating environments for people to get together because each of us has a part to play. We need one another. There are times in all our lives when others will have strength we lack, and times when we have strength to spare.

Growing People Change-

When we "Go" together we get to experience growth together. When Jesus shows up in your life things are going to change. As we begin to long more and more for the things of God our lives begin to change, our desires, being to change everything from the way we talk to the way we rest begins to change.

Walk by Faith-

At CCA we value the guidance of the Holy Spirit above any other voice. When we walk by faith we begin to grow in each one of our other values and more importantly we discover more of the character and love of God.
